election, it is just and expedient that relief should be given to some extent to the candidates who have been charged with illegal acts, it is therefore enacted that, no judgment, order, or report heretofore pronounced or made by, or heretofore confirmed by the Court of Error and Appeal, shall have the effect of rendering any candidate incapable of being hereafter elected to the Legislative Assembly, or of being hereafter registered as a voter, or of hereafter voting in elections, or of holding any office in the nomination of the Crown or of the Lieutenant-Governor or any municipal office.

An Act to amend the Law respecting the sale of Fermented or Spirituous Liquors.

[Assented to 10th February, 1876.]

Preamble.

WHEREAS it is expedient to amend the Act passed in the thirty-seventh year of Her Majesty's reign, intituled "An Act to amend and consolidate the law for the sale of Fermented or Spirituous Liquors:"

Therefore Her Majesty, by and with the advice and consent of the Legislative Assembly of the Province of Ontario, enacts as follows:—

Board of License Commissioners.

1. All powers and duties conferred and imposed upon the commissioners of police and municipal councils respectively, by virtue of the said recited Act, shall hereafter exclusively belong to and be exercised and performed by a board of license commissioners, except where express provision is otherwise made in this Act; and such board shall be composed of three persons to be appointed from time to time by the Lieutenant-Governor in Council for each city, county, union of counties, or electoral riding or division as the Lieutenant-Governor in Council may think fit; and each of the commissioners shall cease to hold office on the thirty-first day of December in each year, but he may be reappointed; and the said office shall be honorary and without any remuneration.

3. The number of the population which is to determine the number of licenses under this Act shall be according to the then last preceding census taken under the authority of the Dominion of Canada, except where the commissioners shall be of opinion that owing to a large increase of population since such census, an increased number of licensed taverns is needed for the convenience and accommodation of travellers; and in that case, if the commissioners so certify, and the council of the municipality memorialize the Lieutenant-Governor for such increase, the Lieutenant-Governor in Council may authorise a new census to be taken under the authority of a by-law of the municipality and at the expense of the municipality, and the limit for the number of licenses shall then be, one for each full two hundred and fifty of the population under one thousand, and one for each five hundred over one thousand of the population;
